Puppy Contract and Health Guarantee

Buyer's Responsibilities

- Have your puppy examined by a state licensed veterinarian within 7 days of picking up your puppy.
- Seller must be provided, by mail or e-mail, a Veterinary Examination Report within 24 hours, of going to the vet, if any health problems are diagnosed.
- Provide puppy with routine preventative care including, but not limited to, quality dog food, a clean and safe environment, vaccinations, and routine examinations by a veterinarian. Buyer is aware that costs will be incurred to supply these and that they are responsible for these costs.
- Under NO circumstances will this puppy be sold to or given to any pet shop, laboratory, shelter, or any similar facility. If a puppy must be rehomed, he or she must be returned to us **WITHOUT A REFUND.**
- If this PUPPY is found to be neglected or of ill health for an unreasonable length of time, Or Bred without permission, then purchaser will surrender the PUPPY to the seller unconditionally **WITHOUT A REFUND.**
- **All puppies purchased from us must be spayed or neutered by 12 months of age. If the dog is bred without permission, we will take full custody of the dog.**
- Buyer can choose whether he or she will activate the puppies FREE 30-day insurance through TRUPANION within 24 hours of going home with the puppy. We suggest you take advantage of the free month.

*****IF YOU WISH FOR US TO GUARANTEE YOUR PUPPY YOU MUST COMPLETE THE ABOVE REQUIREMENTS, NOT DOING SO WILL RESULT IN A VOIDED CONTRACT AND THE GUARANTEE WILL NO LONGER BE UPHELD.**

Microchip Information:

All our pups go home microchipped. Their microchip # is in your folder and it is free to register it. **IF YOU DO NOT REGISTER THE MICROCHIP, IT IS USELESS, AS IT WILL NOT HAVE YOUR INFO LINKED TO IT.**

Health Guarantee:

The puppy has been given its 6-week shot. The puppy will also need shots at 9, 12 and 16 weeks this is the buyer's responsibility. Rabies vaccines are recommended at 16 weeks. We worm the puppies with Nemex-2 at 2, 3, 4, and 6 weeks. All this information is in the puppies' health record. We use 4 Health Puppy Food in lamb/rice variety and will include some of this in your going home bag.

- This puppy is *guaranteed until one year of age against fatal and life-altering congenital disease* which adversely affects the health of the dog. This includes severe life-threatening or life-altering congenital problems. If the dog dies within its first year of life, from a congenital disease, the BUYER will pay to have it autopsied to determine the reason. If the reason is congenital, the seller will replace the puppy.
- There are some disorders which may be produced by environmental factors. This includes thyroid dysfunction, allergies, demodectic mange, and autoimmune disorders which are not covered under this guarantee. Male pups who have an undescended testicle will not be covered as the dog will be neutered anyway.
- *Coccidia, Giardia, or other parasites that puppies commonly carry, are not covered under this agreement. These can be picked up on any ground surface at any time and there is no way to determine where they picked them up (my house or yours after they leave my premises.) They are easily treated, and even though we worm the puppies multiple times sometimes these parasites happen no matter what precautions we take.*
- *This puppy is guaranteed for 72 hours from date and time of purchase against infectious diseases such as Parvo, Corona or Distemper. If you are traveling home with your puppy, please follow the guidelines, puppies can pick this up at a rest stop 5 minutes after you leave with your puppy. It is common and it is deadly to young puppies. Please, NO public places with pup until fully vaccinated with all 4 rounds of shots.*

**Initial Here: _____*

- It is important that puppy be protected, as much as possible, from exposure to other animals, dog parks, public rest areas, or other areas where there is a high risk of these diseases being present, until cleared to do so by a veterinarian. **PLEASE REFRAIN FROM TAKING YOUR PUPPY ANYWHERE UNTIL HE OR SHE HAS HAD ALL OF THEIR VACCINES AT 16 WEEKS OLD. (4 sets of shots)**
- Any physical problem which is, or could be, the consequence of injury is not covered through this guarantee.
- We are not responsible to refund or replace a puppy due to reasons such as: owner allergies, landlord disapproval or moving, etc.
- There is no guarantee that the puppy will ever be qualified for showing, or capable of breeding, despite breeding or showing potentials.
- This guarantee applies to the original puppy purchaser only and is not transferrable to a second party.
- This contract is binding and supersedes all past agreements. This contract is void if the buyer's responsibilities, as outlined above, are not fulfilled.
- *Under no circumstances will any cash refunds be given.*

Return / Replacement Policy:

- Seller's liability is limited to a replacement puppy only. Replacement puppy will be of the same breed, gender, and color (if available.) If replacement puppy is not available at the time, Buyer will be given a voucher for another puppy and notified immediately when a comparable puppy is available.
- Seller will not be responsible for any medical expenses.
- We cannot/will not guarantee size, color, weight, coat type, non-shedding, hypoallergic or breed profiles. These are mixed breed dogs and by signing this contract you recognize this. Coats, colors and size can be hard to determine until a dog is much older, we can make educated guesses, but these can be wrong and/or change as the dog ages. Weight and size are also not guaranteed. We have litter mates range from 20-45lbs.
